

### Campbell Hausfeld, 3-in-1 Tire Inflation Gun with Locking Chuck and 2 in. Gauge, 1/4 in. NPT<sub>(M)</sub> and Flexible Hose.

3 tools in 1 compact and easy-to-use design and it just got better! Used with an air compressor this deluxe tire inflation gun helps achieve proper tire inflation, which results in better gas mileage and optimal tire life! Because routine pressure checks can help extend the life of tires, investing in a tool like the MP6000 is a smart choice. Not only will this item help to save time and money, but it will also help protect the environment by optimizing gas mileage, and even making vehicles safer to drive.

- **Easy to use**

When connected to an air compressor, the MP600000AV combines 3 tools in one compact design—an inflation gun, chuck and gauge. The extra-long chuck seats more securely on the tire stem and the "hybrid" hose stays flexible in all temperatures and helps maneuver move easily into wheel wells and other tight spaces.

- **Easy to control**

Zero-in on the proper inflation spec with an easy-to-read gauge - 2 in. in diameter and measuring up to 150 PSI. Moreover, the inflation gun features a relief valve for bleeding off air and reducing pressure in over-inflated tires. No more worries about achieving proper tire inflation!

- **Easy to connect**

Simply squeeze the clip, position the chuck over any Schrader-type tire valve, push the chuck onto stem and release the clip to lock the hands-free chuck into place. Squeeze the trigger on the inflation gun to inflate. Now, you're ready to roll!

#### Specifications

Model	MP600000AV
MAX PSI	150
Air Inlet	1/4 in. NPT (M)
Gauge Size	2 in.
Unit Weight	.8 lbs.
Carton Size	12.5 in. x 6.3 in. x 1.4 in.
<i>(Blister Card) See reverse side for additional product specifications.</i>	
UPC	0-45564-60722-7

This Product  
is designed for

Inflation

## Additional Specifications

<b>ITEM NUMBER</b>	
Product Name	<b>3-in-1 Tire Inflation Gun</b>
Description (brief)	<b>Tire inflation gun with locking chuck, 2 in. gauge and flexible hose</b>
UPC / GTIN-12	<b>045564607227</b>
Brand	<b>Campbell Hausfeld</b>
Packaging Type	<b>Blister card</b>
Item weight (with packaging)	<b>0.8 lbs.</b>
Item dimensions (with packaging)	<b>12.50 in. x 6.30 in. x 1.4 in.</b>
Canadian Availability	<b>Yes</b>
Country of Origin	<b>China</b>
Special Features	<b>Self-locking chuck works on shrader tire valves 2 in. analog gauge accurate to 150 PSI Flexible hybrid hose</b>
<b>MASTER PACK</b>	
Type (bag vs. box)	<b>box</b>
Quantity/Inner	<b>4</b>
Pack Size (LxWxH)	<b>12.8 in. x 5.5 in. x 6.7 in.</b>
Pack Weight	<b>3.55</b>
Cube	<b>0.06</b>
GTIN	<b>10045564607224</b>
<b>SHIPPING CARTON</b>	
Quantity/Shipper	<b>36</b>
Shipper Size (LxWxH)	<b>17.40 in. x 13.4 in. x 21.1 in.</b>
Shipper Weight	<b>33.7</b>
Cube	<b>2.85</b>
