

Versatile Air Compressor with Starter Air Tools

The Campbell Hausfeld 8 Gallon Air Compressor is a good tool for lawn equipment maintenance and can be used for a variety of other projects. Sporting a traditional cast iron cylinder and oil lubricated compressor pump, the HX510499DI is built for long lasting, reliable performance. The compressor emits 3.0 SCFM at 90 psi with a maximum of 150 psi. The lightweight, portable design makes it easy to store in your garage or workshop.

Designed with you in mind

Designed with an easy-to-use and easy-to-read control panel, the HX510499DI offers complete control of air manipulation.

- **Cast Iron Cylinder & Oil Lubricated Compressor**

ensure longevity and reliable performance
