

Blow guns are a handy tool to have in your pneumatic tool box. Whether you are gently removing dust during surface preparation, blowing debris out of hard to reach nooks & crannies or vigorously “sweeping” workbench tops and floors, there is a Campbell Hausfeld blow gun designed to help you do the job better.

Campbell Hausfeld® makes it easier for you to finish your projects like a pro. The company's history of creating quality products began in 1836, when it manufactured horse-drawn wagons and agricultural equipment. Today, the company offers a complete line of air compressors, air tools and accessories, inflators, nailers and staplers, paint sprayers, pressure washers, and more.

Finish your projects faster and easier with Campbell Hausfeld - The Air Power Expert.

- **DA502100 - Venturi Nozzle "High Flow" Blow Gun-**

This high volume blow gun is capable of moving large volumes of debris.
Uses a 1/4 in. npt male air inlet.

- **MP320200AV - Blow Gun with 4in. Extended Nozzle**

This extended safety nozzle blow gun makes blowing debris in a confined space an easy experience. Uses a 1/4 in. npt male air inlet.

- **MP216700AV - Lever Safety Blow Gun**

This classic OSHA-style blow gun is a simple design with a non-slip trigger, a safety nozzle with bleeder holes, and a finger guard/hanging hook.
Uses a 1/4 in. npt male air inlet.

- **MP515600AV - 2 ft. Extended Blow Gun**

This extended nozzle is perfect for reaching into confined spaces. Comfortable, easy-to-use lever. Uses a 1/4 in. NPT male thread nipple adapter. Reaches up to 24 inches.

- **MP320100AV - 1/4 in. I/M Pocket Blow Gun**

This adjustable pocket blow gun, adjusts airflow with an easy twist of the knurled nozzle. Slim design clips into your pocket.
Fits 1/4 in. industrial style coupler.

- **MP514300AV - Pistol-Grip Blow Gun**

This pistol-grip blow gun has a trigger to control airflow to the gun tip and a narrow 3 in. extended nozzle that easily fits into confined spaces.

See reverse side for additional product specifications.
