

This Campbell Hausfeld, 30 gallon, 1.8 HP vertical portable air compressor (CE1000) can power a variety of air tools for the serious DIY'er, professional, or contractor. This product will provide up to 5,000 hours of pump life*. With a dual-voltage motor that can operate on either 120V or 240V current, this versatile air compressor can work in more locations. The large semi-pneumatic wheels make this unit easy to move from one job to the next. Designed for quiet operation, the heavy-duty, cast-iron, two-cylinder pump is oil lubricated for a long life and delivers 4.1 SCFM at 90 PSI. Built in the USA.

This air compressor is designed for

*based on B-10 bearing rating

Heavy Duty, 2 Stage, Cast Iron Pump

Oil-lubricated, Two Stage Pump to increase longevity & reduce noise

Designed with you in mind
