

For the Automotive Professional

The Campbell Hausfeld 80-gallon, 5HP, vertical, two-stage air compressor (CE3000) is ideal for auto repair facilities and tire repair outlets. This air compressor operates on 230V current and will run high-demand air tools such as air sanders and air grinders on a daily basis. The commercial-duty, oil-lubricated, cast-iron, two-stage pump is designed to provide up to 15,000 hours* of extended life while delivering 14 CFM of air at 90 PSI. The durable 80-gallon ASME-code tank is a vertical design to save space in the shop or garage.

Designed with you in mind

The CE3000 is ideal for auto repair facilities and tire repair outlets

- **Heavy Duty, Cast Iron Pump**
Oil-lubricated, Two Cylinder Two Stage Pump to increase longevity
- **Oil Site Glass**
Located on the front of the pump, the oil site glass allows for quick and easy tracking of oil levels
- **Safe Operation**
Fully enclosed metal belt guard for protection
