

For the Automotive Professional

The Campbell Hausfeld 80-gallon, 5HP, vertical, two-stage air compressor (CE3001) is ideal for auto repair facilities and tire repair outlets. This air compressor operates on 230V household current and will run high-demand air tools such as air sanders and air grinders on a daily basis. The commercial-duty, oil-lubricated, cast-iron, two-stage pump is designed to provide up to 10,000 hours* of extended life while delivering 14 CFM of air at 90 PSI. The durable 80-gallon ASME-code tank is a vertical design to save space in the shop or garage.

Designed with you in mind

The CE3001 is ideal for auto repair facilities and tire repair outlets.

- Heavy Duty, Cast Iron Pump**
 Oil-lubricated, Two Cylinder Two Stage Pump to increase longevity
- Oil Site Glass**
 Located on the front of the pump, the oil site glass allows for quick and easy tracking of oil levels
- Safe Operation**
 Fully enclosed metal beltguard for protection

Specifications

Model	CE3001
Size	80 Gallon
